President C. W. Datney,

University of Cincinnath.

Dear President Datney:

The only man whom I can get who is available for military instruction is Lieutenant L. L. Matchett, a graduate of this University, who having been gassed at Vimy last May has been given a discharge, but he seems to be in pretty good health now, thou out of the war. He had two and a half years with the Canadian Expeditionary Force, was six months in France with the Ammunition Column Divisional Headquarters and Artillery Battery, and was gassed at Vimy in 1917. He is quite a presentable man, and I should judge would fill the position quite well. I think he would go to you for the rest of the session and would be willing to make arrangements for the future with you afterwards. It is difficult to get suitabl men now and I know of no one else.

With kind regards to Mrs. Datney and yourself,

I am,

Yours sincerely,

President.
